

# Connect with the voices that matter

Dear <<FirstName>>,

The kids' playoff game. The group dinner out on the town. The big family party where everyone's got something to say – especially the little ones. Do noisy settings like these still get in the way of hearing the voices that matter most?

A new solution has arrived to help you hear more clearly—even in the loudest places you go:

## Bring on the noise with Moxi™ S-RX

We're pleased to offer this new solution featuring AI-powered separation of speech from noise, a sleek design for all-day comfort, and personalization tools that improve your listening experience.

How Moxi S-RX keeps you connected and confident:

- **Clear conversations in noisy places**  
AI technology separates speech from noise—no matter which direction voices are coming from—for improved clarity in loud settings.
- **Universal Bluetooth® connectivity**  
Stream calls, music and more from your favorite iOS or Android devices.
- **All-day comfort and power**  
Light and comfortable, with a long-lasting rechargeable battery so you can forget you're wearing them.
- **Easy, personalized listening experience**  
Get set up quickly, make adjustments, and submit feedback using the Remote Plus app.

## Just say, "Bring it on!"

Book your next appointment with us if you'd like to explore Moxi S-RX. We can help you turn "maybe next time" into "bring it on".
